About me

I am a full time student I love to skateboard, go surfing, mountain biking, motorcross, soccer, flag football, gridiron. I love going to the movies with my friends and playing PS5 and Xbox. I have favourite sporting teams, and lots of hobbies.

Goal

I have a lot of interests and a lot of hobbies, and sports that I am interested in, I like video games, and going to the movies. My family quite often has a hard time keeping up with my current favourite trend. An App that helps them to pin down my current favourite past time would be fantastic.
